The STRANGEST THING "About ME" (QisMi)

As a TEENAGE boy on account of working for various foreign nationals, while attending Victoria Island secondary school, in Lagos Nigeria, which I **dropped out in the first term of my third year in My Junior Secondary School (JSS3) then; as,**

I was opportune to travel to the WEST (UK, Europe) in Search for Western knowledge

And; with hope for greener pastures (wealth, culture & lifestyle) even though it was tough then, as an introvert black boy from Africa

I soon stumbled onto a goldmine @ 22, which necessitates my leaving the Western Hemisphere to travel; seek for wisdom (HIDDEN TRUTHS) in the Eastern Hemisphere including the Far East and Middle Eastern regions where I soon discovered WOMEN (*wild willing Asian/Oriental Girls*) & WINE (all sorts of alcohol)

I later settled in the South East Asia around the coast of the exotic Andaman Sea *in the plush Paradise Phuket Island* (Thailand); due to the BIRTH of my ONLY biological LOVE CHILD (Anna**) BORN 2002 July 4th on a Thursday**

I adopted a cute new born boy, "Billionaire Ambrose**" (BORN 2007 July 10th) just two months; after his miraculous birth, surviving a ghastly truck accident with his parents while still in the womb which necessitates HIS being kept in the Intensive Care Unit (ICU).**

I also adopted; our little MAGICAL girl **Vikki (BORN 2009 January 1st) *while in Phuket Island, Thailand***

"My black pages" published since 2004 October 6th; to date ...

I returned HOME (Nigeria) in Africa 2016 January 13th @ 48 (almost 50 years of age); a COMPLETE humble gentleman: DIVINE in NATURE, immensely RICH and **CONTENT** (happy-satisfied) *in all aspects of my life*

YET, STILL SINGLE and LIVING a solitary Spartan Lifestyle which OFTEN confuses and baffles "MOST Materialistic Nigerian Folks"; especially the UN-wise **In QisMi Marijossan's Unconscious Mind**

HE considers HIMSELF as the WEALTHIEST BEING on the Planet Earth since 27th April 2014... (The day HE had declared HIMSELF as a Self-styled Trillionaire, AND; the Happiest MAN in the WORLD)

True Wealth is a Mindset. TO BELIEVE, "YOU ARE WEALTH; YOU ARE ABUNDANCE"

It isn't what a man has that constitutes his overall wealth. But, it is to be *truly* satisfied and completely content with what ONE has; that is REAL WEALTH, **according to the famous 19th century American writer "Mark Twain"**

INDEED; there is NO place like HOME

And, NOW My NEW Life and; "My Love Story" (*continues*)

Meet "A-Black-Man" *with a difference*

An icon of **SUCCESS** for woMen

A beacon of **HOPE** for Men

And, a Santa Claus for children

Also, an inspiration for TEENAGERS and YOUNG adults

My work; what I do for a living...

2004 October 6th on my 37th birthday, I started teaching Self-reliant and personal development (a change of lifestyle) to women, children and a few SPECIAL gentlemen in Bangkok - Phuket, Thailand, and; in South East Asia, Hong Kong and beyond, by motivating them to improve their life and lifestyles.

The 2004 December 26th massive earthquake that triggered the devastating Tsunami in the Asia pacific coastal areas and around the Andaman Sea provided ME with MORE people to cater for. AND, I was fully established...

Within 90 days, I have OVER a thousand STUDENTS, followers, clients... (Some rich and, some NOT so rich)

Today (6th October 2025), 21 years ON, (the time of my writing, compiling and publishing this very edition)

I am still a MOST sought-after Specialist Consultant on Personal Affairs or Services; a Natural "COSMIC" Healer and an Inspired TEACHER of True Life Secrets ... Travelling EVERYWHERE, I can, TEACHING Hidden Ancient Knowledge (The Universal TRUTH)

I also, organize private entertainments; I teach English all over Asia including in Thailand, Japan & South Korea. I take photographs of interesting people-things-places, I write & self-publish and sell life changing articles and, sell my personal memoirs (Qismiology News-eBooks-Magazines with provocative Columns) via Baan Keni'ka 40 dollar Mail Order Shop; also, where I sell all my PERSONAL stuffs (memorabilia)... - QisMi Marijossan
